**All entries must be done ONLINE and NO late entries will be accepted.**

There will be caps placed on all age groups and divisions across all systems. As a result, each individual school is only permitted to enter a maximum of 5 teams per age division and gender eg 5x Int Boys & 5x Int Girls. Extra nominations will be considered after the closing date however this will be at the discretion of the organising committee. Please contact your system convenor for further details.

## SAFETY, SUPERVISION and CONDITIONS OF ENTRY

- This is a safety-oriented event with a closed circuit (no vehicles – except drafting motor bikes) ride and a protected open water swim.
- **Students with pre-existing medical conditions must be identifiable on the day.** Medical information MUST be provided upon registering the student along with a management plan. Individuals will need to report to officials on the day. Failure to do so may result in the individual / team being disqualified.
- **Swimmers MUST be competent and able to meet the demands of the swim leg.** Any students not meeting these expectations will be removed from the water immediately. This decision will be at the discretion of course officials / water safety.
- **All individuals / teams must have an adult representative present on the day.**
- All cyclists must wear an approved helmet. All bikes must be presented for a safety inspection prior to racing on the course.
- It is expected that all participating students are suitably prepared prior to the championships to meet the physical demands of the event (in varying environmental conditions) and are appropriately hydrated and fuelled to participate safely.
- The following guidelines will be utilised when making decisions in relation to hot weather <https://sma.org.au/sma-site-content/uploads/2017/08/hot-weather-guidelines-web-download-doc-2007.pdf>

## Bike Restrictions

There will be no Roll Out checks completed on any bike. Therefore, there is no roll out distance specification for any age group. REMOVE
