

2020 ITU Triathlon World Championships Edmonton, 20 – 23 August 2020 Junior Selection Policy

1 Introduction

1.1 Scope

This Policy details the process and criteria by which Triathlon Australia (TA) will determine the members for the Australian Team – ITU Junior (JNR) category (TEAM) to compete at the 2020 ITU Triathlon World Championships (TWC).

1.2 Objective

- (a) The primary objective of this policy is to select athletes whom TA considers demonstrate an ability for projected international podium success as an elite athlete.
- (b) The men's triathlon event and the women's triathlon event are separate events and different considerations may be relevant in selection of Athletes (according to this Policy) to maximise the prospects of achieving TA's stated objective for the JNR TWC.

1.3 Application

- (a) TA may only select Athletes in the TEAM in accordance with this Policy.
- (b) The Triathlon Australia Elite Selection Committee (TAESC) has been appointed by the TA Board to administer and implement this Policy.
- (c) The TAESC will present selected Athletes to the TA Board for ratification.
- (d) This Policy is issued by the TA Board. TA must provide, or otherwise make available, this Policy to all Athletes.
- (e) If any TA position is unavailable to fulfil his/her role as described in this Criteria, the TA Board may authorise a delegate to fulfil this role
- (f) The ITU determines eligibility criteria and competition rules for all ITU events. Selection according to the terms of this Criteria will not qualify an athlete for

participation in the JNR TWC if the athlete is not eligible according to the applicable ITU eligibility rules.

- (g) Under the current rules, entry to the JNR TWC is accepted only through nomination from the National Federation, being TA.

2 Eligibility

TA will not select an Athlete unless, as at the Selection Date, TA is satisfied on reasonable grounds that the Athlete:

- (a) is a current member of, and in good standing with TA;
- (b) be an Australian Citizen;
- (c) satisfies all ITU Rules;
- (d) in the opinion of TA, not brought him/herself, TA, or the sport of Triathlon into disrepute; and
- (e) if requested by the National Performance Director (NPD), agree to and sign the 2020 TA Athlete Agreement prior to confirmation of acceptance of TEAM selection.
- (f) Any selected member of the TEAM not willing to sign the 2020 TA Athlete Agreement may be excluded from the TEAM, and replaced at the discretion of the TA Elite Selection Committee (TAESC).

If there is any doubt regarding eligibility to compete for Australia, Athletes must contact the Chief Executive Officer (CEO) of TA for clarification.

3 Qualification of Athlete Quota Positions

- 3.1** TA may only select Athletes to the TEAM where, under the ITU Competition Qualification Criteria, the ITU has awarded TA Athlete quota positions.
- 3.2** TA may not select more Athletes than are permitted under the ITU Competition Qualification Criteria.
- 3.3** Neither this Policy, nor the ITU require TA to select the maximum number of athletes to the TEAM for the JNR TWC.

4 Selection Criteria

- 4.1** Athletes may only be considered for selection via the following:
 - (a) Automatic selection; or

- (b) Discretionary selection

4.2 An Athlete can achieve **Automatic selection** if they meet the following criteria:

4.3 Any remaining position/s not selected automatically, will be selected via **Discretionary selection**.

- (a) In exercising its discretion the TAESC can consider any matter it deems relevant in meeting the primary objective outlined in **clause 1.2**. The TAESC may consider performances in races up to and including **3 May 2020**.

5 Reserve Athletes

5.1 The TAESC may identify additional Athletes of each gender as Reserve Athletes.

5.2 In exercising its discretion to select Reserve Athletes, the TAESC may consider any factor or combination of factors that is, in the opinion of the TAESC, deemed relevant.

5.3 Reserves may be ranked by the TAESC and will only be chosen from among eligible Athletes.

5.4 Athletes selected as a Reserve according to this Policy will not be members of the TEAM unless they replace a TEAM member by operation of this Policy OR additional quota spots become available from the ITU.

6 Team Membership Conditions

6.1 On selection to the TEAM, all Athletes, including named Reserve Athletes, must comply with the [TA's Standard Event/Team Representation Continuing Form, Fitness and Medical Assessment Obligations](#), dated November 2018.

6.2 If an Athlete does not meet either the requirements or obligations set out in TA's Standard Event/Team Representation Continuing Form, Fitness and Medical Assessment Obligations, TA may, via the discretion of the NPD, exclude the Athlete from the selected Athletes and nominate a Reserve Athlete to replace the withdrawn Athlete.

8.2 Any decision made by the NPD in relation to funding is not a decision from which any affected Athlete has a right of appeal whether under this Policy or otherwise.

10 Amendments

This Policy may be amended at any time by TA if TA is of the opinion that such an amendment is necessary as a result of any change in ITU guidelines, or to give effect to the Policy following discovery of a drafting error or oversight, or for any other reason determined to be in the best interests of TA by TA. TA shall not be responsible or liable in any way to any one as a result of any such amendment. Any amended Policy will be distributed by TA by email to all eligible Athletes and/or posted on the TA website.
