

## Grant Writing Assistance Program | QLD Funding Matrix

To complement the Grant Writing Assistance Program (GWAP) on offer by TQ, the Funding Matrix has been created so that clubs can identify potential opportunities in their own areas (or state wide) that they may be able to apply for. It will also enable clubs who are unsuccessful with their EOI applications through the GWAP the opportunity to identify funding opportunities that are open to their region and apply or contact Red Tape Busters for quoting up a prospective grant application (and likelihood of success). This list is current as of the 7<sup>th</sup> of August 2018 and TQ will endeavour to keep this list up to date on a monthly basis. This up to date copy will be located on the TQ website under [club support](#).
