

14-Day Trial Pass Membership

This package option is for new members to trial a club for 14 days. The 14-day trial allows participants to join existing club training sessions and immerse themselves in the club lifestyle for a short period. The 14-day trial does NOT include event entry/racing insurance. If participants wish to enter a sanctioned event, they must join Triathlon Australia or pay a One-Day Membership plus the event registration fee.

The 14-Day Trial Pass can be offered by the club at any point in the season, and the 14-day period applies to the individual from the date they join.

The **14-Day** Trial Pass will be free of charge for participants.
