

2022 Australian Commonwealth Games Team

Triathlon Australian Nomination Criteria

1 Introduction

1.1 Scope

This Nomination Criteria (**Criteria**) explains how Triathlon Australia (**TA**) will nominate Athletes to Commonwealth Games Australia (**CGA**) for consideration for selection in the 2022 Australian Commonwealth Games Team (**Team**) to compete in the men's and women's individual triathlons and the mixed relay triathlon.

1.2 Objective

- (a) The primary objective of this Criteria is to nominate Athletes to CGA whom TA considers have the greatest potential of winning medals in triathlon events at the 2022 Commonwealth Games (**B2022**).
- (b) The men's triathlon event, the women's triathlon event and the mixed relay are separate events and different considerations may be relevant in nominating Athletes (according to this criteria) to maximise the prospects of achieving TA's stated objective for B2022 as set out in **clause 1.2(a)**.

1.3 Application

- (a) TA may only nominate Athletes to CGA for consideration for selection in the Team in accordance with this Criteria.
- (b) The Triathlon Australia Elite Selection Committee (**TAESC**) has been appointed by the TA Board to administer and implement this Criteria.
- (c) This Criteria is issued by the TA Board. TA must provide, or otherwise make available, this Criteria to all Athletes.
- (d) If any TA person is unavailable to fulfil his/her role as described in this Criteria, the TA Board may authorise a delegate to fulfil this role.
- (e) CGA has the exclusive authority to select nominated Athletes to the Team.

- (f) Subject to this Criteria and in particular but not only **clause 11.1** the terms of the CGA Team Nomination and Selection By-Law (**By-Law**) are incorporated by reference into this Criteria. TA must provide, or otherwise make available, the By-Law to all Athletes.
- (g) This Criteria will take effect from the date it is released and will cease to have effect at the conclusion of the Games.

1.4 This Criteria applies to:

- (a) all Athletes;
- (b) TA; and
- (c) CGA.

2 Eligibility for Nomination

TA will not nominate an Athlete unless, as at the Nomination Date, TA is reasonably satisfied that the Athlete:

- (a) is an Australian Citizen;
- (b) is a current member of TA;
- (c) has not have breached the CGA Anti-Doping By-Law unless the athlete has already been sanctioned for the breach and completed the sanction imposed;
- (d) has not by their actions or omissions brought themselves, TA, CGA or the Team into disrepute or censure; and
- (e) has pre-signed the 2022 Team Membership Agreement

3 Long List

3.1 For the purpose only of identifying prospective members of the Team, TA or CGA may maintain a Long List of Athletes.

3.2 For the avoidance of doubt, membership of TA or the CGA's Long List does not increase, decrease or otherwise affect an Athlete's prospects of being nominated by TA, or being selected by CGA, to the Team.

4 Qualification of Athlete Quota Positions

4.1 TA may only nominate Athletes to CGA for consideration for selection to the Team where, under CGA's open allocation process, CGA has assigned TA Athlete quota positions.

4.2 TA may not nominate more Athletes than the number of athlete quota positions awarded to TA by CGA.

4.3 TA may (but is not obliged to) nominate the maximum number of Athletes that are permissible by CGA. The Mixed Relay Team will be made up from nominated Athletes.

4.4 Any athlete nominated under this Criteria must make themselves available to compete in the mixed relay if required.

5 Nomination Criteria

5.1 For the purposes of nomination to CGA for consideration for selection to the Team, Athletes may be nominated by:

- (a) Automatic nomination; or
- (b) Discretionary nomination.

5.2 An Athlete may be nominated by Automatic Nomination if they meet either of the following criteria:

Top 3 in the Tokyo 2020 Olympic Games (Olympics) – Individual Event

- (a) If more than 1 Athlete achieves this criterion, the first eligible Athlete (male and female) that finishes in the top three (3) positions in the Olympics will be nominated by TA to CGA, subject to the Athlete satisfying the requirements in clause 8 – Team Membership Conditions.
- (b) Should the Olympics be altered from the standard distance and swim/cycle/run format, the affected automatic nomination event will be void for the purposes of automatic nomination.

OR

Win the 2022 National Elite Sprint Distance Championships

- (c) Should the National Elite Sprint Distance Championships be altered from the sprint distance and swim/cycle/run format, the affected automatic nomination event will be void for the purposes of automatic nomination.
- (d) If automatic nomination is not achieved in one or both events, Athletes may be nominated via Discretionary Nomination under **clause 5.3**.

5.3 Athletes for any remaining positions may be nominated via **Discretionary Nomination**.

- (a) In exercising its discretion to nominate positions on the Team to CGA, the TAESC may consider any matter it deems relevant in meeting the primary objective outlined in **clause 1.2** including performances in races over the duration of the TA Qualification Period.

6 Submission of Nominations

- 6.1** TA must notify Athletes of the Nomination Date in writing.
- 6.2** CGA may, in its absolute discretion extend the Nomination Date for any reason.
- 6.3** TA must nominate Athletes to CGA by the Nomination Date. TA must inform Athletes of their nomination or non-nomination by no later than 14 days prior to the Nomination Date.
- 6.4** Nominations submitted to CGA must be in the form prescribed by CGA or in a form that is otherwise acceptable to CGA and include any such information that is required under the By-Law.

7 Reserve Athletes

- 7.1** The TAESC may identify additional Athletes of each gender as Reserve Athletes.
- 7.2** In exercising its discretion to select Reserve Athletes, the TAESC may consider any factor or combination of factors that is, in the opinion of the TAESC, deemed relevant.
- 7.3** Reserve Athletes may be ranked by the TAESC and will only be chosen from among eligible Athletes.
- 7.4** Reserve Athletes will not be nominated to CGA unless they replace a selected Athlete and then only in accordance with clauses 8 and 9.
- 7.5** The TAESC may exercise its discretion to identify reserve Athletes under clause 7 at any time up until the commencement of B2022.

8 Team Membership Conditions

On being nominated to CGA, all nominated Athletes, including reserve Athletes, must comply with the provisions of clause 8 to the satisfaction of the TAESC.

8.1 Competition Plan and Training Camps

All Athletes must:

- (a) on the request of the NPD, submit a competition plan, from the date of nomination to the time of B2022. If there is any disagreement between the submitted competition plan and the opinion of the NPD as to appropriate competition, the decision of the NPD will prevail. There is no appeal against a decision of the NPD under this clause;
- (b) meet the NPD's requirements in relation to training and participation in training camps as required by NPD in its absolute discretion; and
- (c) once an Athlete's competition plan and training camp schedule has been submitted and approved by the NPD, follow that plan unless given written approval by the NPD.

8.2 Fitness, Injury and Illness Monitoring

All Athletes must submit to injury and medical assessment and examinations and fitness monitoring as follows:

- (a) on request, all Athletes must provide the name and contact details of their relevant health care professionals (general practitioner, sports medical practitioner and physiotherapist) to the NPD within 14 days of request, or such later date as agreed with the NPD;
- (b) all Athletes must immediately inform the TA Chief Medical Officer (**CMO**) of any condition, illness or injury that could impact on the Athlete's ability to perform at the level expected of the athlete if selected to compete at B2022;
- (c) all Athletes must ensure that all treatment details for injury and illness are updated in a timely manner through the TA Athlete Management System;
- (d) on request from the CMO, an Athlete must give permission to any of their nominated health care professionals to discuss and/or disclose confidential information to the CMO in relation to their health or injury status as relevant to their performance in the Games;
- (e) should the NPD or CMO suspect an Athlete may be injured or ill, the following procedure will be followed:
 - i. the CMO can require the Athlete to undergo a medical examination to determine his or her fitness to compete. An Athlete will be assessed as injured or ill, if by competing, the Athlete risks causing medical harm to him or herself;
 - ii. the CMO will carry out this examination or delegate another doctor to do so. If the Athlete fails the medical examination, the Athlete will be withdrawn from the list of Nominated Athletes or TA will request CGA to remove the athlete from the Team, whichever is applicable;
 - iii. if the Athlete passes the medical examination but the NPD is of the view that an Athlete chosen for nomination may, by reason of injury or illness or other circumstances, may no longer be capable of performing at B2022 to the level at which the Athlete would be expected to perform if not affected by the illness, injury or other circumstances, that Athlete may be required to perform a fitness trial by the NPD.

The NPD will determine if an Athlete is assessed as unfit.

- 8.3** Up until two weeks prior to the start of Competition (and subject to reserve Athlete substitutions being permitted), if an Athlete does not meet either the requirements or obligations in clause 8, TA may, on the advice of the TAESC, exclude the Athlete from the list

of Nominated Athletes or request CGA to remove the athlete from the Team, whichever is applicable. One of the reserve Athletes may be nominated in place of the excluded Athlete, in accordance with this Criteria.

The Athlete acknowledges and agrees that TA is not a “health service” as defined by the *Privacy Act 1988 (Cth)*. All information collected by TA under this clause will be collected, used and stored by TA in accordance with its [Privacy Policy](#).

9.1 Within two weeks of the start of Competition (and subject to reserve Athlete substitutions being permitted), should any selected Athlete be unable to compete at B2022, by any reason including injury, illness, or failure to comply with the provisions in clause 8 of this Criteria, then TA may, on the advice of the NPD and the TA Chief Executive Officer (**CEO**), nominate a Reserve Athlete to CGA.

9.2 If TA determines that an Athlete who has been selected should be replaced by a reserve Athlete then:

- (a) the NPD and the CEO may choose the Athlete to be nominated from the reserve Athletes named by operation of clause 7;
- (b) TA will recommend to CGA that the Athlete should be replaced;
- (c) if CGA (or during the period of Games, the CGA Chef de Mission) agree that the selected Athlete should be replaced; then:
 - i. TA may nominate a reserve Athlete for selection; and
 - ii. CGA (or during the period of the Games, the CGA Chef de Mission) may in its absolute discretion select that nominated reserve Athlete. In exercising its discretion, CGA will be subject to any conditions that apply in relation to entry for the Games.
