

## 2022 World Triathlon Para Championships Selection Policy

### 1 Introduction

#### 1.1 Scope

This Selection Policy (**Policy**) details the process and criteria by which Triathlon Australia (**TA**) will determine the members for the Australian Team (**TEAM**) – Para category, including athletes and guides, to compete at the 2022 World Triathlon Para Championships (**WTPC**).

#### 1.2 Objective

- (a) The primary objective of this Policy is to support the selection of athletes capable of podium performance at this and/or future benchmark events.
- (b) The men's paratriathlon event and the women's paratriathlon event are separate events and different considerations may be relevant in selection of Athletes (according to this Policy) to maximise the prospects of achieving TA's stated objective for the WTPC.

#### 1.3 Application

- (a) TA may only select Athletes in the TEAM in accordance with this Policy.
- (b) The Triathlon Australia Elite Selection Committee (**TAESC**) has been appointed by the TA Board to administer and implement this Policy.
- (c) The TAESC will present selected Athletes to the TA Board for ratification.
- (d) This Policy is issued by the TA Board. TA must provide, or otherwise make available, this Policy to all Athletes.
- (e) If any TA position is unavailable to fulfil his/her role as described in this Policy, the TA Board may authorise a delegate to fulfil this role.
- (f) WT determines eligibility criteria and competition rules for all WT events. Selection according to the terms of this Policy will not qualify an athlete for participation in the WTPC if the athlete is not eligible according to the applicable WT eligibility rules.

- (g) Under the current rules, entry to the WTPC is accepted only through nomination from the National Federation, being TA.

## **2 Eligibility**

TA will not select an Athlete unless, as at the Selection Date, TA is satisfied on reasonable grounds that the Athlete:

- (a) is a current member of TA;
- (b) meets the eligibility requirements for citizenship as determined by the Australian Government;
- (c) satisfies all WT Rules;
- (d) is not serving any current sanctions; and
- (e) if requested by the National Performance Director (**NPD**), agree to and sign the 2022 TA Athlete Agreement prior to confirmation of acceptance of TEAM selection.
  - (i) Any selected member of the TEAM not willing to sign the 2022 TA Athlete Agreement may be excluded from the TEAM, and replaced at the discretion of the TAESC.

If there is any doubt regarding eligibility to compete for Australia, Athletes must contact the Chief Executive Officer (**CEO**) of TA for clarification.

## **3 Qualification of Athlete Quota Positions**

- 3.1** TA may only select Athletes to the TEAM where, under the WT Competition Qualification Criteria, WT has awarded TA Athlete quota positions.
- 3.2** TA may not select more Athletes than are permitted under the WT Competition Qualification Criteria.
- 3.3** Neither this Policy nor WT requires TA to select the maximum number of athletes to the TEAM for the WTPC.
- 3.4** For the avoidance of doubt, all selections are pending TA receiving the necessary quota/the athlete being allocated a start position by WT.
- 3.5** Any invitation positions (and application to WT) will be prioritised by the Chair of the TEASC and the NPD.

## **4 Selection Process**

**4.1** Athletes may only be considered for selection via the following:

- (a) Automatic selection; or
- (b) Discretionary selection.

**4.2** An Athlete can achieve automatic selection if they meet the following criteria:

- (a) Athletes will be automatically selected where there are sufficient start positions for ALL in the same class and gender.
- (b) In the case where there are insufficient start positions for all Athletes under consideration in the same class and gender ALL Athlete/s to be selected in that class and gender will be at the sole discretion of the TAESC.

**4.3** Any remaining positions/s not selected automatically, will be selected via discretionary selection:

- (a) In exercising its discretion in selecting positions on the TEAM, the TAESC may (in its absolute discretion) consider any matter it deems relevant in meeting the primary objective outlined in **clause 1.2**. The TAESC may consider performances in races up to and including **4 September 2022**. This discretion is absolute and need not be exercised.

**4.4** The TAESC reserves the right to use the WT substitution and/or withdrawal rules in order to maximise the potential of any athletes selected in the WTPC by nominating the highest WT ranked Australian athlete not selected for that event and making the substitution and/or withdrawal according to the rules.

**4.5** Once a PTVI Athlete has been selected, the TAESC may consider the selection of that athlete's guide in the TAESC's absolute discretion:

- (a) In exercising discretion in selecting athlete's guides, the TAESC can consider any matter it deems relevant.
- (b) In the event of the withdrawal of a selected PTVI athlete the selected guide will be automatically withdrawn unless they are subsequently selected to guide a replacement athlete.
- (c) A guide may be changed up to 24 hours before the start of the race. Decisions regarding a change of guide after the announcement of selected athletes may be made by the NPD.

## **5 Reserve Athletes**

- 5.1 The TAESC may identify additional Athletes of each gender as Reserve Athletes.
- 5.2 In exercising its discretion to select Reserve Athletes, the TAESC/NPD may (in its absolute discretion) consider any relevant matter.
- 5.3 Reserves may be ranked by the TAESC and will only be chosen from among eligible Athletes.
- 5.4 Athletes selected as a Reserve according to this Policy will not be members of the TEAM unless they replace a TEAM member by operation of this Policy OR additional quota spots become available from WT.

## **6 Team Membership Conditions**

- 6.1 On selection to the TEAM, all Athletes, including named Reserve Athletes, must comply with the [TA's Standard Event/Team Representation Continuing Form, Fitness and Medical Assessment Obligations, dated November 2018.](#)
- 6.2 If an Athlete does not meet either the requirements or obligations set out in TA's Standard Event/Team Representation Continuing Form, Fitness and Medical Assessment Obligations, TA may, via the agreement of the NPD and the TA Board nominated delegate, exclude the Athlete from the selected Athletes and nominate a Reserve Athlete to replace the withdrawn Athlete.

## **10 Amendments**

The interpretation of this Policy is the sole province of the TA Board. This Policy may be amended at any time by TA if TA is of the opinion that such an amendment is necessary as a

result of any change in WT guidelines, or to give effect to the Policy following discovery of a drafting error or oversight, or for any other reason determined to be in the best interests of TA by TA. TA is, and shall not be, responsible or liable in any way to any one as a result of any such amendment. Any amended Policy will be distributed by TA by email to all eligible Athletes and/or posted on the TA website.
