

SCODY

SCODY does not start production until the colour concept has been approved and signed off by client.

*Please note that this colour concept is based around a medium sized garment, so the design may vary slightly with each size change.

*While every attempt is made to colour match fabric samples and PMS colours, exact matching cannot be guaranteed, due to variation in inks, temperature, materials & humidity.

Any designs and artwork provided to you by SCODY are the property of SCODY and you are not permitted to use these designs without our prior written consent for any purpose whatsoever including the provision of these designs to other custom clothing manufacturers.
