Nomination Form for Elected Director Positions 2018-19

1. I (full name of nominator) **RHIANNON VICTORIA HUGHES**
being a current (2018/19) financial member of Triathlon SA, hereby nominate:
(full name of nominee) **JAMES CARACOUSSIS**
for an elected Director position on the Board of Triathlon SA

Please detail your suitability for an Elected Director Position, referencing the “board director requirements” document. Please note this will be listed as a biography on each nominee and made available to all members of Triathlon SA for the purpose of voting at our 2018 Annual General Meeting.

As someone who always had a keen interest in sport and the competition it provides, I’m only a recent convert to triathlon after a seemingly “pre” mid-life crisis decision to do an ironman (realistically half distance was more sufficient). A definite challenge given at the time I’d barely trained more than social weekend cycling. There is certainly something to be said about the discipline and competition between body and mind that is required to cross that finish line.

Having studied both science and business management, and a member of the Australian Institute of Company Directors, I have experience in a range of areas including large event organisation to risk identification and management. Previously I was both director and chairman of a not for profit young people in rural industries and agri-professionals organisation where throughout my time I was able to learn and refine skills in governance and strategic planning. This saw the network grow from a fledging body barely turning over \$30k a year in fees, sponsorships and grants with a part time administrator into what has since grown into the largest young agri body in the country with fulltime staff and yearly income in excess of \$500k with a key success throughout my time as Chair being an inaugural summit being the first event bringing together many of the individual local and state bodies to develop a more collaborative approach towards tackling the needs of the future generations in the industry.

More recently I’ve taken a back seat to my partner’s triathlon ambition, which has allowed me the opportunity to join the committee of the Lakers (West Lakes) Triathlon Club. During this time I’ve come to realise for our sport to survive, we, as a collective, need to put all pitch in to ensure our sport continues to remain successful and grow further into the future.

I look forward to the opportunity to sit become further involved with triathlon in SA and hope I will be able to pass on some of my passion into the continual success of triathlon in our state.
