5 Election of Board Directors

5.1 Board Directors standing down: Doug Blackaby, Brent Dawkins, Rose Nash

5.2 Nominations received: Lisa Albinus, Errol Kilov, Jane Sargison, Jason Clark

5.3 Elected Board Directors: Melissa Hughes, Jason Clark, Abbey Fairbrother, Errol Kilov, Lisa Albinus

5.4 Appointed Board Directors: Jane Sargison

6 Motions of Notice

6.1 There were nil motions of notice received.

7 Meeting Close at 5.24 PM

TRIATHLON TASMANIA 2021/22 PRESIDENT'S REPORT

I am sitting with a coffee in the poolside cafe and thinking about the last year of triathlon. Mostly thinking about how much having a coffee with training buddies after a swim session is one of my favourite things. And this represents some of our most important values – enjoyment and belonging. We train together, laugh together, grieve together, and celebrate each other's achievements. And sometimes there's cake.

Respect

Health

Enjoyment

Belonging

Achievement

Thinking about our values has been a priority for the Triathlon Tasmania board this year as we started the 2021-2022 season as a new team – new directors, new President, new Treasurer, and new Executive Officer.

The Decisions

We work hard to live these values and make decisions based on our purpose:

Enable more people to enjoy more triathlon and multisport experiences, in more places.

The biggest decisions of the year were related to formalising the agreement for the adoption of the future operating model with Triathlon Australia. Due diligence was important to ensure the contracts and service agreements we signed were first and foremost of benefit to our Tasmanian members. Active engagement and open communication with all our stakeholders was also essential during this process.

Transition to our new aligned workforce commenced in April and the new organisation structure became operational on 1 July 2022. The whole of sport approach to governance will support sustainable growth for our sport by improving service consistency, operating efficiency and effectiveness. While this is important at a national level, Triathlon Tasmania will prioritise local services, activities and events that are relevant to Tasmanian members. Triathlon Tasmania is actively involved in the development of this new model to make sure it is meaningful to us. More information on the future operating model can be found on the [Triathlon Australia website \(FOM Hub\)](#).

The Podium

Tasmania was the only state or territory to reach our membership target for the year (264 members), including increasing the percentage of female and junior/youth athletes. This is a fantastic achievement for our small state and reflects the commitment of all our volunteers who are supported by our Executive Officer Shellie Wakefield and the team at Triathlon Australia. My heartfelt thanks to all the volunteers for your dedication to grassroots membership and participation:

- **264** members
- **21** triathlon and multisport events across the state (3 aquathlons, 7 duathlons, 11 triathlons)
- **4** State Series races (Bridport triathlon, Seven Mile Beach, Devonport, Coles Bay) sponsored by Armstrong's Insurance Brokers
- **200+** participants at Coles Bay triathlon
- **160+** participants at Bridport triathlon
- **40%** female members (104) in 2021-2022, an increase from 34% (88) in 2020-2021
- **30%** junior/youth members (80) in 2021-2022, an increase from 20% (53) in 2020-2021
- **18** coaches
- **20** technical officials

For the 2022 financial year Triathlon Tasmania performed better than budgeted with a deficit of –\$1719 rather than the budgeted –\$5000. In line with the Triathlon Australia strategic plan to Respond, Recover, Thrive 2021-2025, the 2022 budget deficit was about recovering: supporting clubs and members to get back into triathlon and multi sport. This included no increase in membership costs and covering the cost of the new Go Membership system. See the Treasurer's report for more detail.

The People

Our three affiliated clubs, *Cradle Coast Triathlon and Multisport*, *Launceston Triathlon Club* and *Triathlon South*, are the backbone for our sport in Tasmania. All are involved in conducting races, providing great benefits for their members, engaging wonderful volunteers, and adding to the supportive culture in this state. They have encouraged and supported new members this year and we continue to work together to provide more Come & Tri opportunities. I thank the club committees for their input and collaboration to guide the strategic direction of our sport in the new 2022-2023 season.

Congratulations to everyone who trained and made it to a start line this season. And, of course, to the many volunteers who make this happen. Special mention to our State Series Champions Melanie Daniels and Sam Marshall who both amazed us with their superb racing.

Huge congratulations to all our competitive junior athletes and recognition of State Junior Champions Chloe Jordan and Jack Latham (also Fairbrother Squad Junior Triathlete of the Year) and State Youth Champions Matilda Bosworth and Jack Woodberry. This year the Fairbrother squad was coached by three regional coaches – Scott Latham, Will Blackaby and Peter McKenna with oversight by Casey Mainsbridge. Our growing squad participated in skills sessions in each region, preparing them well for the season and interstate events:

- Jack Latham raced at the Oceania Triathlon Junior Championships at Werribee
- Jack Latham, Jack Woodberry and Oliver Thiessen raced at the 2022 Australian Junior & Youth Super Sprint Championships at Runaway Bay – *Jack Woodberry winning the Youth Championship!*

We look forward to hearing how the team of 11 juniors perform at the upcoming Australian Schools Sport Triathlon Championships in Hervey Bay.

How wonderful to see Jake Birtwhistle making the Olympic Games team for Tokyo. It was a difficult journey for all Australian athletes with COVID-19 preventing international racing prior to Tokyo. Sneak peek for next year's report: fantastic results at the Commonwealth Games with:

- Erica Burleigh debuting in 6th place in the women's PTVI paratriathlon with her guide Felicity Cradick
- Hayden Armstrong guiding Gerrard Gosens to 6th place in the men's PTVI
- Jake Birtwhistle 4th place in the men's individual race – what a run!
- Mixed relay bronze medal for Australia with Jake giving the team a great start.

Thank you to Jason Clark for his 3-year term on the board. Jason's kindness and humanity, and his deep thinking and strategic focus were invaluable to the board. Thanks Jase, especially for staying a year longer than you wanted to help support me this first year.

Thank you to my director colleagues for volunteering their time, skills and knowledge this year – Abbey, Casey, Errol, Jane and Lisa. I am humbled and grateful for your support, friendship, enthusiasm for our sport, and dedication to doing the best we can for members.

I look forward to seeing you on the starting line in season 2022-2023. And maybe sharing a story or two over coffee.

Melissa Hughes
President

TRIATHLON TASMANIA 2021/22 TREASURER'S REPORT

2021/22 saw us consolidate from the challenges of 2020 and continue to work towards implementation of the future operating model (FOM).

There were great efforts in sourcing government grants, working with new ministers and their representatives in state government. Our financial focus has remained on developing programs to build the sport through increasing funding towards the state series and state championships, training camps and support for our juniors.

We looked closely at our scenario planning to determine a prudent level of cash reserve should we be hit with a year without the ability to run events to generate memberships and revenue. Through the FOM process we have taken the opportunity to consolidate our cash reserve with other states to take advantage of any opportunity to safely invest these reserves.

The new operating model has allowed the Triathlon Tasmania board to step away from some of the more operational financial tasks, with centralised accounting and budgeting. We are now looking forward to greater capacity for strategy and financial planning.

We have spent this year refining our budgeting process, now having a conservative budget to allow for all reasonable and foreseeable expenses. Our end of year position, supported by TA, was to invest in the sport and we were supported in a position of a modest deficit. We expect 2022/23 to be a strong season and we will aim to build our strength with increased membership numbers.

Jane Sargison
Treasurer

Audited financial statements appear at the end of the Annual Report.

Notes to the Financial Statements

FOR THE YEAR ENDED 30TH JUNE 2022

1. Statement of Significant Accounting Policies

This financial report has been prepared for use by the members of the association and is a special purpose financial report. It has been prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act of Tas, 1964. The committee have determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the following Australian Accounting Standards;

AAS 5 Materiality

AAS 8 Events Occurring After Reporting Date

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied. The report is also prepared on an accruals basis and is based on historic costs and except where stated does not take into account changing money values or current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report ;

(a) Income Tax

The Australian Taxation Office has ruled that the Association is exempt from income tax, pursuant to s.23(e) of the Income Tax Assessment Act. Accordingly no provision has been made for income tax in the accounts.

(b) Fixed Assets

Leasehold improvements & office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

*The accompanying notes form part of this financial report.
This report should be read in conjunction with the attached auditor's report.*

Statement by Members of the Committee

FOR THE YEAR ENDED 30TH JUNE 2022

MEMBER'S STATEMENT

The committee members have determined that the association is not a reporting entity. The committee members have determined that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The accompanying financial statements and notes of the association as at 30th June 2022

- a) present a true and fair view of the association's financial position as at 30th June 2022 and its performance for the year ended on that date in accordance with the accounting policies as described in Note 1 of the financial statements.
- b) comply with the Australian Standards as detailed in Note 1 of the financial statements.
- c) there is reasonable grounds to believe that the association will be able to meet its debts as and when they become payable.

President.....

Melissa Hughes

Executive Director.....

Shellie Wakefield

Dated at.....this.....day of.....2022

*The accompanying notes form part of this financial report.
This report should be read in conjunction with the attached compilation report.*

Auditor's Report

FOR THE YEAR ENDED 30TH JUNE 2022

Scope

I have audited the financial report, being a special purpose financial report, of the Triathlon Tasmania for the year ended 30th June, 2022. The committee is responsible for the financial report and has determined that the accounting policies used as described in note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporation Act Tasmania, and are appropriate to meet the needs of the members. I have conducted an independent audit of this financial report in order to express an opinion on it to the members of the Triathlon Tasmania. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporations Act Tasmania. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Qualified Audit Opinion

In my opinion, except for the effects on the financial report of the matter referred to in the qualification paragraph, the financial report of the Triathlon Tasmania presents a true and fair view of the financial position of the club as at 30th June 2022 and the results of its operations and cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
