1.2. Interpretation

- (a) Unless the context otherwise requires, reference to:
 - (i) a clause is to a clause of this Policy;
 - (ii) the singular includes the plural, and the converse also applies.
- (b) If a person to whom this Policy applies consists of more than one person, then this Policy binds them jointly and severally.
- (c) A reference to time, day or date is to time, day or date in Gold Coast, Australia.
- (d) Where a word or expression is given a particular meaning, other parts of speech and grammatical forms of that word or expression have a corresponding meaning.
- (e) Headings are for convenience only and do not form part of this Policy or affect its interpretation.

2. Objective of This Policy

- 2.1. This Policy sets out the Selection Appeal process to be applied in respect of the selection of all AusTri Australia Teams.
- 2.2. This Policy, read and applied with Selection Policy or Policies and the applicable Selection Criteria, forms the **AusTri Selection Policy** for any relevant Event for which AusTri selects a Team.
- 2.3. The **AusTri Selection Policy** exhaustively sets out the parameters, process, and criteria (both eligibility and performance) that will be applied to determine the selection of individuals for an Event or in a team generally.

Nomination to a Third Party Responsible for Selection for an Event

- 2.4. For completeness, AusTri notes that in respect of certain Events (for instance, the Olympics, Paralympics, or the Commonwealth Games), AusTri does not select athletes or officials, but rather nominates them to another entity (for example the Australian Olympic Committee, Paralympics Australia or Commonwealth Games Australia) that is responsible for the final selection of athletes for the Event.
- 2.5. For convenience, where no other Selection or Nomination Policy administered by a Third Party for such an Event as described in cl. 2.4 above applies, the **AusTri Selection Policy** for an Event will apply to the nomination process undertaken by AusTri for these Events as though the term 'selection' is interchangeable with the term 'nomination'.

3. Application

3.1. This Policy applies to:

- (a) Athletes;

3.2. AusTriathlon (AusTri)

3.3. Athletes have a right of appeal against their non-selection to a Team for an Event, except where a specific Selection Policy excludes such a right

4. General Rules

4.1. A Non-Selected Athlete may appeal against their non-selection to a AusTri Team for an Event (Selection Appeal) in accordance with the procedures set out in cl. 5 of this policy. For clarity, Athletes can only appeal their non-selection for a AusTri Team that has been formally selected under the provisions of the relevant Selection Policy.

4.2. In the event that two or more Selection Appeals are brought under this Selection Appeals Policy, and it appears to the NST that:

- (a) the Selection Appeals involve a common question; or
- (b) the relief claimed in them are in respect of, or arise out of, the same instance of selection; or
- (c) there is some other reason for it being desirable to have the Selection Appeals consolidated,

the Selection Appeals must, so far as practicable, be consolidated and heard together and the Athletes involved in the Selection Appeals must provide reasonable assistance to the NST to achieve this outcome.

Parties to a Selection Appeal (First Instance and Final Appeals)

4.3. The Parties to a Selection Appeal will be:

- (a) The Appellant
- (b) AusTriathlon (AusTri)
- (c) Any Interested Party.

4.4. An Interested Party to a Selection Appeal must be either:

- (a) A Selected Athlete for the Team which is the subject of the Selection Appeal; or
- (b) A Non-Selected Athlete otherwise eligible for selection to the Team which is the subject of the Selection Appeal.

- 4.5. AusTri and the Appellant must identify and propose to the NST Athletes who may be Interested Parties. Athletes may also identify themselves to the NST as potential Interested Parties.
- 4.6. In the event that any doubt should arise as to the eligibility of a person as an Interested Party, AusTri shall determine the matter in its absolute discretion.
- 4.7. An Athlete identified as a potential Interested Party must, in order to participate in the Selection Appeal, indicate to the NST that they wish to be a Party to the Selection Appeal.
- 4.8. In accordance with the NST Procedure an Interested Party:
 - (a) must receive notice of the Selection Appeal from the NST;
 - (b) must be given the opportunity to make submissions in the Selection Appeal and give evidence;
 - (c) must receive a copy of the determination handed down by the NST; and
 - (d) will be bound by any such determination.
- 4.9. An Interested Party may lodge a Final Appeal in respect of a decision or determination that is made by the NST in a First Instance Appeal in which it has participated as an Interested Party.
- 4.10. For the avoidance of doubt, an Athlete identified as a potential Interested Party in a First Instance Appeal, but who does not participate in that First Instance Appeal will not be permitted to lodge a Final Appeal in respect of a decision or determination that is made by an NST in a First Instance Appeal.
- 4.11. A person who receives notice from the NST of their identification as an Interested Party may decline to participate as an Interested Party at any time, in which case that person will automatically waive any rights afforded an Interested Party, including the right to lodge a Final Appeal.

5. Fast Track Appeal process

5.1. Steps prior to Selection Appeal

- (a) A Non-Selected Athlete must not commence a Selection Appeal in the NST unless the provisions of this cl. 5.1 have been complied with.
- (b) Within [8] hours of the time that a Non-Selected Athlete receives notice of their non-selection, the Non-Selected Athlete must provide Written Notice to the CEO of AusTri that the Non-Selected Athlete disputes their non-selection and intends to proceed to a hearing of their Selection Appeal in accordance with cl. 5.2.
- (c) The Non-Selected Athlete must provide reasons to support their notice of dispute. The Written Notice must be accompanied by an AU500 application fee, which will be refunded to the Athlete should the outcome of the dispute or appeal process result in their selection for the Team for the Event.

5.2. First and Final Instance Appeal to the General Division of the NST

- (a) A Selection Appeal must be heard in the General Division of NST in the first instance.
- (b) A Non-Selected Athlete may bring a Selection Appeal to the General Division of the NST for hearing on one or more of the following grounds, which the Non-Selected Athlete (Appellant) bears the onus of making out:
 - (i) that the Selection Policy was not properly applied by AusTri with respect to the Non-Selected Athlete;
 - (ii) the Non-Selected Athlete was not afforded a reasonable opportunity by AusTri to satisfy the Selection Policy;
 - (iii) AusTri was affected by actual bias in making its decision to not select the Non-Selected Athlete; and
 - (iv) there was no material on which AusTri's decision could be reasonably based.

Making an Application for a Selection Appeal

- (c) A Non-Selected Athlete wishing to make an application for a Selection Appeal by the General Division of the NST must at the same time as indicating to the CEO of AusTri their intention to proceed to a hearing of their Selection Appeal under cl 5.1:
 - (i) complete and lodge the required NST Application Form with the NST Registry in accordance with the NST Procedure, setting out the grounds of appeal relied on by the Non-Selected Athlete; and
 - (ii) pay any filing fee required by the NST.

For clarity, there is no extension of time to make an application for a Selection Appeal under this clause.

- (d) Service Charges may also be payable to the NST, which will be negotiated as between the Parties and the NST at the Preliminary Conference and Determined by the NST CEO. Generally, Service Charges will be apportioned evenly between the Appellant and AusTri.
- (e) Where the outcome of the dispute or appeal process results in the Appellant's selection for the Team for the Event, any Application Fee and Service Charge will be reimbursed to the Appellant by AusTri.

Selection Appeal Procedure

- (f) A First and Final Instance Selection Appeal heard in the General Division of the NST will proceed in accordance with the NST Procedure including with respect to the specific procedural matters set out below, which apply to all AusTri First Instance Selection Appeals:
 - (i) A Triathlon Expert may be appointed by the NST CEO to assist the NST in the arbitration of the Selection Appeal in accordance with section 34 of the *National Sports Tribunal Practice and Procedure Determination 2021*.
 - (ii) Where the NST considers it appropriate to do so and all the involved Parties to the appeal agree, the NST may determine the appeal without a hearing.
 - (iii) The NST must provide Written Notice to the Parties of its **determination** as soon as reasonably practicable after the conclusion of the hearing (in most cases, within 24 hours of the conclusion of the hearing). The NST will provide the Parties with a **statement of the reasons** for its determination within 3 Business Days of notifying the Parties of its determination.
 - (iv) The determination of the NST is final and binding on the Parties and no party may institute proceedings in any other court or tribunal.

Selection Appeal Outcomes – Reconsideration and Redetermination

- (g) The NST may uphold or dismiss a First Instance Selection Appeal.
- (h) Subject to cl. 5.2(k), where the NST upholds a First-Instance Selection Appeal overturning the original selection decision, the NST must refer any subsequent decision regarding the Appellant's non-selection or if required, any broader decision regarding selection of the Team for the Event back to the AusTri for reconsideration and redetermination.
- (i) In reconsidering and determining the Appellant's non-selection or if required, any broader decision regarding selection of the Team for the Event, AusTri must observe the principles of natural justice. Any decision made by AusTri regarding the Appellant's nomination after such referral, is final and binding on the Appellant.
- (j) Notwithstanding cl. 5.2(i) the NST may itself determine the issue of the Appellant's selection, or broader decision regarding selection of the Team for the Event where the NST determines that:

- (i) it would be impractical to refer the selection decision for redetermination to AusTri given the time available; or
 - (ii) in making its original decision, AusTri had such disregard for proper application of the Selection Policy that a reasonable person would apprehend that it is unlikely that the Selection Policy would be applied properly by AusTri if the decision regarding the Appellant's non-selection was referred back to AusTri.
- (k) Prior to making a determination under cl. 5.2(k) the NST must advise the Parties that the NST intends to make such a determination and provide the Parties with a reasonable opportunity to make submissions in relation to the NST's proposed determination. The NST must give proper consideration to any submissions it receives pursuant to this cl. 5.2(l).
