

MANAGE YOUR MEMBERSHIP

YOUR TA MEMBERSHIP NUMBER

You will be sent an email upon purchase with a link to either Apple Wallet or Google Wallet where you can download a digital copy of your card.

When logged in to your account in the portal, you will see your name, address, membership number and membership status on the left hand side. If you can't see this, click on My Profile in the menu.

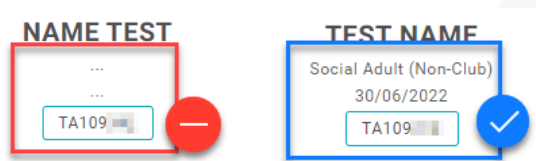

IS MY MEMBERSHIP CURRENT?

All account holders in the system are provided a TA ID Number which is tied to their account, but that doesn't mean you automatically hold a membership.

You can view your Triathlon Australia membership status between the name and the TA number. Your most current membership will display with its expiry date.

If there is a date showing in the past or only '...', then it means that this account doesn't hold a current Triathlon Australia membership.

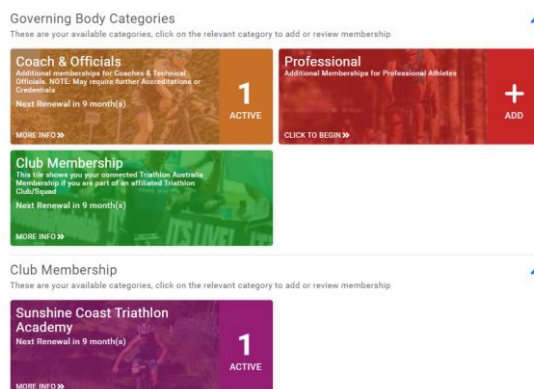

VIEW YOUR MEMBERSHIPS

To view any memberships you have, please select the Membership tab in the menu bar.

From there you will see any memberships held with Triathlon Australia (Governing Body) and any connected clubs you may be with. If you hold a membership in a certain category it will be listed as Active and clicking through will give you a summary.

WHERE IS MY LICENCE CARD?

You will receive a link to download your digital card to either a Google or Apple wallet. Please access the link from your smartphone only. If you cannot find a copy of the email, contact info@triathlon.org.au to have this email resent.
