

## TERMS OF ONE DAY LICENCE (ODL)

One Day Licence (ODL) is a means by which participants who are not AusTriathlon [Annual Members](#), contribute to the costs of running the sport of triathlon. It also ensures they are covered by an appropriate level of [insurance](#) while they are participating at events.

The ODL that is payable on entry to events is determined by the distance and discipline of the race. Unless otherwise agreed, the ODL is to be collected as part of the event entry process by the event organiser.

Any race sanctioned by AusTriathlon is required to collect ODLs from participants. Event organisers are required to remit all ODLs within 14 days of the event taking place. The categories and related fee amounts are listed in the [Online Sanctioning Portal](#) (for reference please see below).

One Day License fees	1st January 2024
Kids	\$0
Enticer	\$4.50
Sprint Distance	\$12.50
Standard Distance	\$22.50
Long Distance	\$30.00

### Classification guideline for Triathlon

The following descriptions give guidance to event organisers on how to set the level of ODL.

When referring to the guidelines, a tolerance is given for the cycle and run portion of events. One of these distances is permitted to be up to 10% above the distance stated. If a distance is more than 10% or more than one discipline is above the distance stated, then the next level of ODL is to be collected. **It is the event organiser's responsibility to ensure they collect the correct amount of ODL.** All distances are subject to verification in the sanctioning process and by the technical delegate appointed to the event.
