

AUSTRIATHLON TRIAL MEMBERSHIP TERMS & CONDITIONS AS AT MAY 2024

AusTriathlon has two trial memberships intended for new members to trial a club/squad.

The two trial memberships are as follows:

- 21 Day Club Passport (21D) and
- 8 Week Trial (8W).

Terms and conditions (**Terms**) for both trial memberships are subject to change and are accepted at participating clubs or squads only. It is the responsibility of the prospective member to contact the club/squad they wish to trial before activating the membership to ensure they can participate in club activities with this membership type.

Both trial memberships are bound to and by relevant AusTriathlon membership terms and conditions including but not limited to Membership Declaration and National Integrity Framework. Policies (**NIF**) can be viewed [here](#).

The NIF is a suite of policies which set out rules for unacceptable behaviour in our sport and how complaints about breaches of these rules are managed.

AusTri is committed to ensuring the safety and wellbeing of all Children/Young People that are involved in our sport. Our policies and procedures seek to address risks to Child safety and to establish Child safe culture and practices.
