

NT FINANCIAL DELEGATIONS

Introduction

To maintain integrity and accountability within the sport of triathlon in the NT, having a clear and robust delegations policy is imperative.

Policy

Since July 2022, NT Triathlon has novated operations to the National Sporting Organisation (NSO), AusTriathlon under a Service Level Agreement (SLA).

Under this SLA, AusTriathlon ensures that all financial decisions are in line with the board-endorsed financial and non-financial delegations matrix.

Policy Review

This policy will be reviewed in line with the expiration of the SLA with AusTriathlon.
