## POSITION OVERVIEW –

### About the role

The Sanctioning and Technical Officer provides support functions for the Queensland Triathlon office and its members. The key areas of support involve the accurate and timely provision of administrative services to the Triathlon Queensland Technical Committee (TQTC), and to facilitate the effective liaison between QT and the TQTC. TQTC requirements concerning the effective allocation of technical official resources to race events is a critical function.

Sanctioning races within Queensland is a key element of the role ensuring safe and fair races throughout the state in accordance with AusTriathlon sanctioning procedures. Effective communication with race directors within Queensland is also an important aspect of the role.

## ABOUT THE ORGANISATION –

AusTriathlon (AusTri) is a not-for-profit organisation and the governing body for the sport of triathlon in Australia. AusTri is responsible for ensuring the success and sustainable future of triathlon and multisport, making the sport easier to access, more relevant and more rewarding for a diverse triathlon community. AusTriathlon operates recognised national working behaviours ensuring close ties across the state and territory triathlon network (STTAs).
