In our opinion, the accompanying financial report of Triathlon Queensland Ltd has been prepared in accordance with the Corporations Act 2001, including:

- a) giving a true and fair view of the financial position as at 30 June 2025 and of the financial performance for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1 and complying with the Corporations Regulations 2001.

#### Basis for Opinion

We have conducted the audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of Triathlon Queensland Ltd in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 30 June 2025 but does not include the financial report and our auditor's report thereon. ## Responsibilities of Triathlon Queensland Ltd for the Financial Report

The company is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as the company determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the company is responsible for assessing its ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless the company either intends to liquidate or to cease operations or has no realistic alternative but to do so.

The company is responsible for overseeing its financial reporting processes.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report, as a whole, is free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken, on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. we also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the company,
- Conclude on the appropriateness of the Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We have communicated with the company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control identified during the audit.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

---

The financial statements cover Triathlon Queensland Ltd as an individual company, incorporated and domiciled in Australia. Triathlon Queensland Ltd is a company limited by guarantee.

### NOTE 1: Statement of Significant Accounting Policies

The directors have prepared the financial statements on the basis that the company is a non reporting entity because there are no users who are dependent on the general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Corporations Act 2001. The company is a not for profit entity for financial reporting purposes.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the Corporations Act 2001 and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

#### Accounting Policies

(a) **Revenue**

**Revenue Recognition:**

The company has applied AASB 15: *Revenue from Contracts with Customers* (AASB 15) and AASB 1058: *Income of Not-for-Profit Entities* (AASB 1058).

**Operating Grants and Sponsorship:**

When the company received operating grant revenue and sponsorship it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, the company - identifies each performance obligation relating to the grant - recognises a contract liability for its obligations under the agreement - recognises revenue as it satisfies its performance obligations.

**Capital Grants:**

When the company receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

# TRIATHLON QUEENSLAND LTD

ABN: 11 118 636 481

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

---

(a) **Revenue (cont'd)**

The company recognises income in statement of profit or loss when or as the company satisfies its obligations under the terms of the grant.

**Interest Income:**

Interest income is recognised as received.

Revenue from the rendering of a service is recognised upon the delivery of the service to customers.

All revenue is stated net of the amount of goods and services tax.

(b) **Income Tax**

The company is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

(c) **Goods and Service Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(d) **Impairment of Assets**

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in the statement of profit or loss.

(e) **Comparative Figures**

Comparative figures have been adjusted to conform with changes in presentation for the current financial year where required by accounting standards or as a result of changes in accounting policy.

(f) **Critical Accounting Estimates and Judgements**

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### Key Estimates

(i) *Impairment*

The company assesses impairment at the end of each reporting period by evaluating conditions and events specific to the company that may be indicative of impairment triggers.

### Key Judgements

(i) *Performance Obligations under AASB 15*

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/type, cost/value, quantity and the period of transfer related to the goods or services promised.
