EVENT TRAVEL, ACCOMMODATION & LOGISTICS

NIRVANA began over two decades ago, providing travel and accommodation support for the Great North Run, the world's largest half marathon.

Today, we are proud to be a strategic partner and major supporter of some of the world's biggest sporting events, catering to athletes, officials, and dignitaries.

Events such as World Triathlon, IRONMAN, UTMB World Series, SuperHalves, T100 Spartan and many more.

Our long-standing experience in major events, gives us the expertise to offer bespoke and packaged travel and accommodation services for large organisations, groups, and individuals participating in sporting events across the world.

ACCOMMODATION

Our in-house event team handpicks all accommodation options. Each hotel is chosen based on its proximity to the event and its amenities, including leisure and fitness facilities, flexible meal services, and secure bike storage.

We review our accommodation collection to ensure it consistently meets the high standards expected by NIRVANA and our customers.

FLIGHTS

NIRVANA's team of specialist sports travel consultants are ready to book your flights and arrange air shipment for any specialised equipment.

AIRPORT MEET AND GREET / TRANSFERS

NIRVANA supports events which take place in some of the world's most stunning locations, but they can be challenging to access.

For events spanning larger areas, NIRVANA shuttle services connect specific hotels with key parts of the course, ensuring smooth and stress-free transportation throughout your stay.
