

Overview

The 2026/27 **Triathlon & Multisport VIC Regional Series** (*Regional Series*) title is awarded to both individuals (*Regional Series Award*) and clubs/squads (*Regional Series Shield*) based on results from selected multisport events across the 2026/27 season.

Individuals must be a AusTriathlon member to be eligible, either Victorian based, or a border resident that is linked to a Victorian affiliated club. *Regional Series Award* winners will be ranked in age groups and accrue points from the nominated 'Regional Series' events.

Organisations must be recognised as an affiliated club/squad (referred to as clubs) to be eligible for the *Regional Series Shield* and will be classified according to their size/type (classification confirmed using membership taken on 31 March 2026).

- Small Club – less than 50 members
- Medium Club – 51 or more members

Regional Series Awards are open to both regional and metro clubs.

A Regional club is classified outside Melbourne metro region. (If located within this distance, the club may apply for special consideration to VicTriathlon.)

How It Works

Points will be awarded at each event that forms part of the **VIC Regional Series**;

- For individuals to be awarded points they must be a AusTriathlon member. They must participate in the respective eligible Age Group category (*Note: Elite, Junior Elite, and other categories such as first timer, friends and family etc are do not receive points*). *Note; Elite, Junior Elite and Open will be eligible for 'Performance Club points' only, at eligible races.*
- Points will be awarded to individuals (and hence clubs) for each time they finish in the top 10 at a *Regional Series* event. Points are also awarded to any member who participates (finishing outside the top 10), with these points contributing to club totals only. Points are applied to all members (club and non-club) on a top-down basis (i.e. if a member finishes 3rd behind two non-members they receive the points for 1st place).

- Individual Performance Points will be awarded for each age group/gender category as follows:
 1st place = 20 points
 2nd place = 18 points
 3rd place = 16 points
 ... decreasing by 2 points per placing, down to 2 points for 10th place.

Regional Series Awards (Individual Champion)

Overall *Regional Series Awards* will be awarded in each age group taken from an athlete's results across the series calendar. The winners will be those AusTriathlon members who end up with the highest points following all races.

Races that are cancelled will not count towards points accrual, however at VicTriathlon's discretion may be included if conducted in a modified format.

For athletes in age categories 12-13, 14-15 (**Youth**) and 16-19 (**Junior**) years the racing opportunities may vary due to the race competition rules restricting race distances.

Athletes must race in a minimum of 2 races within the Series to be eligible and there is no limit to the number of events that an athlete competes in.

Regional Series Categories Age Categories

Youth: 12–13 yrs, 14–15 yrs

Junior: 16–19 yrs

Seniors: From 20 yrs upwards, in 10-year age groups (e.g., 20–29, 30–39, 40–49, etc.)

All age groups are determined by the athlete's age as at **31 December 2026**.

Points accrual for athletes in the 12-13, 14-15, 16-19 years' group **will not** include events which are beyond the maximum allowable distances.

Regional Series Club Champions

The 2026/27 **Regional Series Club Champion** title is awarded to club/squad based on results from the selected multisport events across the season.

Organisations must be recognised as an affiliated club/squad (referred to as clubs) to be eligible for the *Regional Series Shield* and will be classified according to their size/type (classification confirmed using membership taken on 31 March 2025) -

- Small Club – less than 50 members
- Large Club – 51 or more members

NB: Awards given to overall top clubs in each respective category. If winning club is metro based, an Award will also be given to the top placed regional club.

Clubs/squads accrue points from the performance and participation of their members calculated from the Regional Series events (as described in 'How it works').

Performance Club Award

This award recognises the role clubs and squads play in supporting and developing high performance athletes across junior, junior elite, elite, open and age group racing in Victoria (where applicable races are offered).

The Performance Club Award will be calculated from the Regional Series events with points accumulated by club members.

Points are awarded to the first three placegetters (podium finishers) across junior, junior elite, elite, open, and age group racing on a 3,2,1 basis.

The club with the highest accumulated points across all Regional Series events will receive the Performance Club Award for the 2026/27 season.

Schedule of Events

Race / Category	Date	Event
1. Duathlon	25/09/2026	Ballarat Duathlon (Ballarat Triathlon Club)
2. Triathlon	25/10/2026	Bendigo Triathlon (Bendigo Triathlon Club)
3. Triathlon	28/11/2026	Rutherglen – Women's & Kids (Border Triathlon Club)
4. Triathlon	13/12/2026	Portarlington Triathlon (HAI Events)
5. Triathlon	09/01/2027	Marlo Triathlon (Riviera Triathlon Club)
6. Triathlon	16/02/2027	Echuca Moama Multisport Festival (Triathlon)
7. Triathlon	14/02/2027	Albury Wodonga Triathlon (AWTC)
8. Triathlon	14/02/2027	Maffra Triathlon (Riviera Triathlon Club)
9. Triathlon	14/03/2027	Hexman Shepparton (Shepparton Triathlon Club)
10. Triathlon	14/03/2027	Cowwarr Weir Triathlon (Latrobe Triathlon Club)

NB: Athletes must race in a minimum of 2 events to be eligible for Regional Series Champion. There is no limit to the number of events that an athlete competes in.

FAQ

Why were these races selected?

These races were selected to ensure a variety of options across the disciplines of Triathlon multisport and to support regional races in a variety of locations in Victoria, providing high quality racing experiences.

Do I need to compete a minimum number of races to be eligible to win my Age Group Regional Series Award?

Yes. You need only compete in a minimum of (2) races to be ranked in the points score.

Do I need to let VicTriathlon know which races I am competing in?

No, VicTri will be working with the race directors/clubs to ensure all VicTri member results are provided to VicTri for points allocation. However, we do encourage members to check the rankings list and enter events with the same name details as per their AusTri membership name. E.g. Try to refrain from using a shortened first name such as Tim, if your membership is under Timothy.

How long after a race will the point score come out?

Race directors will work towards providing results to VicTri within 7 days of an event. VicTri will then aim to have the point score updated within a further 7 days (14 days after the event).

If there is an issue with my result or placing who do I contact?

All results or timing queries must be directed to the Race Director. Once results have been submitted to VicTri, the placings – and therefore points allocation – are final.

If there are points missing from the rankings (Leaderboards) on the Regional Series website, please email nadelle.legge@triathlon.org.au with the relevant details.

What happens if I raced in an event as a non-member before I signed up?

You must be a member prior to participating in an event to be eligible to receive points.

Is there a series registration?

No, all VicTri members are automatically included in the VIC Regional Series Awards upon entry into an eligible event. Note that entry to each event is made through the respective event website/registration portal.

What happens if an event is cancelled?

If an event is cancelled and not able to be rescheduled no points will be awarded to any athlete.

*Regional series points start at 12 years (turning 12 on or before 31 Dec 2026). Under 12 can still race, but don't get Regional Championship Series points allocated.

*Para/Multiclass (MC), if athletes are under a certain age, they must compete in their eligible distance.

*ONLY AusTriathlon members (Standard or Premium) are eligible for Regional Championship races and Regional Championship points.
