- Oversee and guide organisational change

2. Strategy

- Identify and critically assess strategic opportunities and threats for Triathlon and sport generally
- Develop effective strategies to support the long-term vision for the continued development of Triathlon in New South Wales
- Provide direction on the strategic use of information management and information technology
- Provide direction on communications, marketing, branding and business systems, practices and improvement
- Engage and communicate with stakeholders in the Triathlon and broader sport community.

3. Financial and operational performance

- Ask questions and challenge management and peer directors on decisions and activities in a constructive manner
- Review and monitor the performance of management in meeting agreed goals and objectives
- Analyse key financial statements
- Critically assess financial viability and performance
- Contribute to financial planning
- Oversee budgets and the efficient use of resources
- Oversee government and commercial funding arrangements and accountability.
